You will find in this workbook the 2007 sales ratio and equalization study for Floyd County. Please notify the Floyd County Auditor as soon as possible with any questions or with the certification of acceptance. They are very close to completing the order to print form 11's, but will not print the form 11's until hearing from the DLGF.

In order to trend our commercial and industrial properties we used sales from 2004 and in some townships 2003. adjusted by 3% annually to 01/01/2006. We also utilized the income and expense statements that were submitted.

Please respond as soon as possible with any questions or concerns so that we can submit our values to the Auditor.

Thank You,

Brenda Egge  
Floyd County Assessor
